Get your home ready for market with Compass Concierge

Addison Reserve members who are thinking of selling have access to Compass Concierge, our no-fee, no-interest home improvement lending program. This program exists to help get your home ready for market in the most effective way possible. Our dedicated Concierge Manager will act as a liaison and oversee all improvements.

With Concierge, you do not have to pay the initial out-of-pocket costs for home improvement services like painting, staging, flooring and more. When your home sells, you simply pay back the cost of the services provided.
