

house  hunters

The process of finding and purchasing a home is chronicled, with prospective homebuyers looking at three properties and submitting a bid on the one they like best.

Season 11, Episode 5 Seeking Storage Space

First Aired: September 2, 2004

A couple living with in-laws in an apartment hope to find a house with at least two bedrooms, an office, a backyard and plenty of storage space.

Guest: Chase Campen
