A sophisticated aesthetic pervades this bright, open, airy retreat on approximately two acres in Napa Valley. Filled with refined finishes and eye-catching details, the stylish main residence and guest house offer over 9050+/- sf of living space and comes fully furnished.

The great room features 19' ceilings, shiplap walls, and floor to ceiling glass doors embracing the stunning grounds, pool and surrounding vineyard views. An exquisite marble surround fireplace faces the living room area with a 650-bottle temperature-controlled wine cellar off the dining area.

The chef's kitchen with shiplap walls and Calcutta countertops, two butlers pantries and adjacent family room, opens out to the pool and an incredible alfresco dining area with full kitchen containing a built-in grill, bar, and a wood-burning fireplace.

There are four spacious bedroom suites that include two dedicated master suites graced with well-appointed baths with gorgeous Calcutta or Carrera marble.

The generous media room contains a wet bar and 65" TV can also serve as an overflow extra bedroom with full bath. Relax on the deck while appreciating the vineyard and mountain views.

Throughout, plentiful windows and floor-to-ceiling glass pocket doors admit glorious light and blur the line between indoors and out. Equally chic, the 1000+/- sf guesthouse offers two-bedroom suites, each with a private entrance, and an alluring outdoor living room with full wet bar and 72" TV.

The two residences are at the heart of lush, lavish landscaped grounds, which include a gorgeous pool and spa, raised garden beds, a fire pit, and a private bocce court.

Control4 home-automation and a top-tier sound system are among the many state-of-the-art conveniences.
