

7 BEDROOM / 8.5 BATHROOM

Alpine Modern, Beverly Hills CA 90210

**LA
LUXURIES**

Winding through an elegant water lily garden on wide stepping stones leads you to this architecturally stunning home. Step inside to view instantly impressive features.

High ceilings of the great room and dining area in turn leading to a huge modern kitchen, complete with the latest appliances featuring an oversized island with ample bar seating designed for casual dining. The kitchen features custom-made Wolf dual ovens, Sub-Zero refrigerator and freezer, dual wine coolers and pantry all established with a refined high gloss black finish. Both the dining area and living room provide seating for 10 people or more with the communal vibe centering around the large sofas and gas fireplace.

The king size bed placed centrally intended to enjoy the views of the roof deck. The master has access to a private lounge area that features an area for board games, TV and baby grand piano. There are His/Hers master bathrooms both featuring large vanities, free-standing tub, rain and steam shower.
