LUXURIES**

Contemporary Mediterranean 7 blocks north of Sunset in Beverly Hills offers all the benefits of indoor/outdoor California living. This entertainer's dream includes: impressive light-filled entry with a striking 2-story wall of glass and serpentine staircase.

The interior features formal step down living room, a dining room highlighting the dramatic wall-of-wine cabinet; newly remodeled large chef's kitchen; glass-framed breakfast nook overlooking the grounds and pool, gym and comfortable well-appointed theater. Alfresco dining/entertaining pavilion including a new high end Chicago pizza oven with full bar fronting expansive pool, and putting green all with remarkable seclusion.

6 en-suite bedrooms include luscious master suite, with French living area and large bath. There is also a maid's room on the main floor.
