**LA
LUXURIES**

This boutique-style property is where cool meets comfort and luxury blends with luxe. Meticulously designed and furnished beach house with pool and spa on the sand. The master bedroom is beyond sexy and chic. A full wall of glass, with 180 degree ocean views. Looking out past the pool you see nothing but blue ocean and skies.

This is Malibu baby...Think high end boutique hotel when you think of the stylish appointments this place has to offer....Subtle lighting that changes on your whim surround a glorious soaking tub in the master with limitless views. Not to mention the awe inspiring entry way with 30 foot walls decorated with stunning artwork.Opulent, swank, whimsical...these are a few words to describe this modernist home.

3 bedrooms (one with separate living area), 4 baths, Pool, Spa, poolside covered daybed, Wifi, luxury 500 thread count sheets, down bedding, chefs kitchen, designer touches throughout, and a 2 car garage make this a house to remember. Centrally located in Malibu near shops, restaurants and bars.
