LUXURIES**

An architectural masterpiece designed by World renowned architect Harry Gesner and a wonderful fusion of modern architectural style with Gothic castle. Perched on a quiet hilltop overlooking the Pacific ocean.

The home is entered through a unique arched doorway. A sweeping staircase leads down to the great room with it's 30ft high vaulted arched ceilings, vast open fireplace and stone mosaic floor. All around are distinctive hand crafted elements and wonderfully eclectic furnishings.

There are sweeping ocean views from every room including the three bedrooms. The house is surrounded by lush gardens, several vast decks and patio areas and a pool with a spa. A 1957 Airstream trailer sits among the trees.
