Eagle Rock. Soaring above the clouds you will find this must-see Mediterranean home with expansive views of Carmel, Pebble Beach and Monterey Bay, extending all the way to Santa Cruz and beyond. Known as Eagle Rock, this site is arguably one of the best view properties on the Central Coast. The well maintained 5 bedroom, 3 full and 2 half bath, 4,228 sq.ft. home sits on a commanding hill with just over five private and peaceful acres. While you may feel like you are a world away, the property is just minutes from the shops, restaurants, golf and beaches the Monterey Peninsula is famous for. Features include an expansive main living room with exposed beam ceilings, generous living space, abundant storage, a private well, and a fabulous pool with wonderful sun exposure. Eagle Rock is ready to be your private sanctuary in the sky.
