* Stated square footages and dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls between units and vary from the square footages and dimensions that would be determined using the description and definition of the "Unit" set forth in the Declaration, which generally only includes the interior airspace between the perimeter walls and excludes all interior structural components and other common elements. The method of measurement used herein is generally found in sales materials and is provided to allow a prospective buyer to compare the Units with units in generally the units in generally to the Unit. Measurements of rooms set forth on this floor plan are generally taken at the farthest points of each given room (as described above and as if the room were a perfect rectangle), without regard for any cutouts or variations. Accordingly, the interior air space dimensions of the actual room will be smaller than the product obtained by multiplying the stated length and width. All square footages and dimensions, including (without limitation) estimated ceiling heights, are estimates based on preliminary plans and will vary with actual construction. All floor plans, specifications, images, and other development plans and information depicted or described herein are proposed and conceptual only and will not necessarily accurately reflect the final plans and specifications, and are subject to change without notice and may not be relied upon. No guarantees or representations whatsoever are made regarding existing or future views from the Units or other portions of the Condominium. Options and upgrades reflected or described herein are not included with the unit unless expressly
