

4 BEDROOM / 5 BATHROOM

Sea Glass,
Malibu, 90265

**LA
LUXURIES**

Exquisite Oceanfront and Ultra Contemporary home on Malibu Cove Colony Drive. The 'SeaGlass' House is the most recent work of art by Architect, Norman Jarrett, also creator of the 'Malibu Dolphin' House featured on NBC's "Mansions and Millionaires."

The main level has spacious living, dining and media areas, two fireplaces, a spectacular bar, and elevator. Gourmet kitchen has stunning granite, custom Blue Star BBQ, and dumbwaiter.

The second floor has four large bedrooms and closets, Silhouette shades, flat screen televisions and baths with rare onyx and granite.
