Luxuries**

Modern super mansion atop private ridge in Coldwater Canyon. Ultimate Swiss technology provides an architecture and beautiful contemporary design, fashioned for comfort, security, luxury & enjoyment. Entire walls of glass open to feature panoramic views of canyon, City & Ocean extending to Catalina Island on beautiful days.

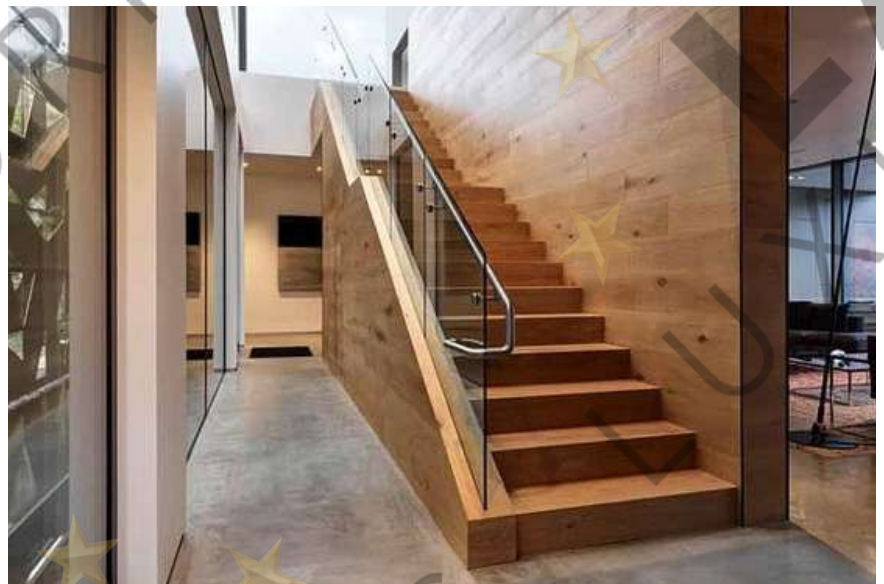

Nature surrounds the setting and embraces the stunning architecture it protects. Nearly maintenance-free external fiber cement wall panels never require paint/maintenance. Triple-paned pneumatic windows & doors maintain constant perfect indoor temperatures on the warmest or coolest of days. Gallery walls showcase a world collection in every room. Blissful outdoor entertaining offers 2000SF of covered terrace, heated outdoor Kitchen & Dining, fire pit lounges--all overlooking serene views. A world class trophy.

Massive entertaining space across all aspects of the glass and steel architecture.
