LUXURIES**

Gorgeous Hollywood Hills Estate with Breathtaking Views: Located in the exclusive Mount Olympus neighborhood, this newly-built contemporary style villa embodies luxury, elegance and relaxation.

---

The kitchen and dining room are a great place to relax and enjoy your meals-- natural light abounding. Showcasing a huge center island with high-quality counter tops and state-of-the-art stainless appliances, this kitchen is definitely a chef's dream. The large living room complements perfectly. You can cuddle up by the fireplace or sit back and have a drink at the bar.

The master bedroom features 16ft ceilings, his and her walk in closets, and a massive, modern double shower. The ensuite bathroom also has a large soaking tub. Appointed with floor to ceiling windows.

### Highlights

Second level, you will find a Launch/Library room with wall-to-wall windows offering large panoramic views. Equipped with a desk, computer, and printer (fully capable of performing all necessary office/work-related functions), the villa's outdoor spaces simply cannot be matched.

Pool, Jacuzzi, and 2000 sq ft lounge area are unparalleled, including: sunbeds, lounging areas with built-in cushioned benches, a BBQ with full bar, kitchen, fire pit, and two large screen TVs.
