A legendary figure in Silicon Valley lore, the city of Menlo Park is the current home of Facebook and the founding place of Google. Sand Hill Road, which has grown to become the epicenter of venture capital, runs through the western part of the city. The city is recognized as one of the most educated in the country, with over 70% of inhabitants over the age of 25 holding at least a bachelor's degree. Residents of Menlo Park enjoy the city's peaceful living, access to quality shopping, and high end dining options.
