# Sunnyvale

COMPASS

The 7th most populous city in the Bay Area, Sunnyvale has seen rapid growth and development in recent years to cement its place as a major city in Silicon Valley. Serving as the home to many high-tech companies such as LinkedIn, 23andMe, Juniper Networks, and Yahoo!, Sunnyvale has become synonymous with innovation. Anchored by the historic Murphy Avenue, the revitalized downtown includes plentiful shopping and dining options, a brand new ice rink, and will soon feature a movie theater as well.
